RE: Open Letter concerning support for gay-activist organization

Dear Mrs. Brothers,

We write this open letter to the Catholic Family Counselling Centre (CFCC) on behalf of the K-W area, Catholic supporters of *Defend Traditional Marriage & Family*TM.

On August 24th, a news article by *LifeSite News* revealed that the CFCC has been allowing its facilities to be used as a regular meeting place, by Tri-Pride, a gay-activist organization. Tri-Pride is the organizer of an annual Gay Pride festival in Victoria Park.

The policies of Tri-Pride are in direct opposition to Catholic teaching on sexual morality and the nature of marriage. Obviously, this group also sets itself against *Defend Traditional Marriage & Family*'s (DTMF's) mission of restoring the proper definition of marriage since it promotes the continued legalization of homosexual "marriage". This decision by the CFCC is looked upon with disbelief by our Catholic supporters, especially given your very public, Catholic identity.

A significant number of *Defend Traditional Marriage & Family*'s supporters are Roman Catholic. They are dismayed by the fact that you give material, if not moral support, to an organization which is so radically set against the teaching of the Catholic Church. Furthermore, your organization has a mission to assist families, making it all the more incoherent why you would support the homosexual agenda which is itself, a grave threat to family life in Canada.

On behalf of those supporters, **we ask the CFCC to publicly and unequivocally, renounce any past or future support of the homosexual agenda**, including but not limited to, the use of your facilities.

We look forward to your favourable public response and wish to post it on our website.

Yours sincerely,

Jack Fonseca

Communications Director
